

Registrar's Report for the 2020-21 Season

Submitted by: Simon Morgan

Registration numbers at the end of the season are down 17 players compared to the past season however still above 2018/19. COVID restrictions to number of players within each division and drop outs during the season contributed to another 22 players not being recorded for this report.

A second season with the Juvenile Team added 23 players registered

The following two tables show the breakdown of players by division, and by year of birth, over the past three years.
