

## 2023 – 2024 AGM Report – REP DIRECTOR

The Bears 2023/2024 had a very successful season, Our U11's played hard all season & ended with a Division 2 League Championship & Div 2 Playoff Champion Banners. The U13 Bears had more of a developmental season this year, working hard and having fun. The U15 Bears had a very successful season, landing 4th in their division for regular season play, they went on to win in Playoffs, earning them a U15 Div 1 Playoff Champions Banner. Which landed them a spot at the BC provincial championships. Where again they made us proud, landing 4th place in BC. Huge season for those guys. The U18 Bears landed 2nd in regular season play (playing U18 Div 1). They worked hard and took their playoff run all the way to the end... playing in overtime, unfortunately that is where their season ended. Overall, the Bears had a very successful and fun season. We are very proud of all our Bears.
